# KNICKS MATH

1. Against the Raptors 905, the Knicks grabbed 11 rebounds on the offensive end and 44 rebounds on the defensive end. How many rebounds did the Knicks total?

2. If the Knicks blocked nine layup attempts by the Wisconsin Herd, how many points did the Knicks prevent the Herd from scoring?

HINT:  
ONE LAYUP IS  
WITH TWO  
POINTS

3. Of the Knicks' 11 free throw attempts, seven free-throws were worth two points each and four free-throws were worth three points each. If the Knicks made all of their attempts, how many points did they earn?

4. If Ivan Rabb scored 29 points versus the Maine Red Claws, 18 points versus the Delaware Blue Coats and 34 versus the Greensboro Swarm, how many points did Rabb average in the three-game span?

5. If Lamar Peters made six of his 12 field goal attempts, what percentage is Peters shooting from the field?

**CAN YOU GET ANDREW WHITE III, LAMAR PETERS,  
KADEEM ALLEN AND IVAN RABB TO THE  
WESTCHESTER COUNTY CENTER BEFORE TIP-OFF?**
